*Mrs A Jordan*  
*Head of Sixth Form and Careers Lead*

## Northumbria University Business Trip

On Wednesday, a group of our year 12 and year 13 Business students visited Northumbria University to attend some lectures at the Business Faculty. Lectures included: Finance and Economics, Entrepreneurship, Business and HR, Accounting, Marketing, International Business and Tourism and Events Management. One group were asked to create a new product and “sell their idea”, and they won a prize – well done!

## Opportunities

Company	Event/ Registration Date	Details/Year Group
  	<p style="text-align: center;"><b>Thursday 23 November, 5pm to 7pm</b></p>	<p><b><u>Year 13: Plan BEE Higher Apprenticeship opportunity: Meet the Employers</u></b></p> <p><b>PlanBEE</b> is a higher apprenticeship programme which helps prepare young people for a career in a broad range of technical and professional roles in architecture, building engineering, project management, cost consultancy and construction site management.</p> <p>It is a work-based route into these jobs rather than via university. If you're interested in the PlanBEE programme, join our Meet the Employers' Event where you'll have the chance to:</p> <ul style="list-style-type: none"> <li>▪ Meet the employers you could be working for</li> <li>▪ Talk to our current PlanBEE students</li> <li>▪ Find out more about the qualifications you will gain through PlanBEE and how your study will be structured</li> <li>▪ Discover the opportunities available to you after PlanBEE</li> <li>▪ Find out more about the application process</li> </ul> <p>To sign up for the event <b><u><a href="#">click here.</a></u></b></p>

Company	Event/ Registration Date	Details/Year Group
	<p style="text-align: center;"><b>Accenture Apprenticeships now open!</b></p> <p style="text-align: center;"><b>Applications will close February 2024 – do not miss out!</b></p>	<p><b><u>Year 13: Accenture Degree Apprenticeships</u></b></p>  <p><b>Accenture Technology and Consulting Apprenticeships are now open!</b></p> <p>Thinking about future career plans and which path is right for you? If you're considering alternatives to university, an apprenticeship at an award-winning fortune 500 company – <b>Accenture</b>, can offer a blend of real project work, top-class mentorship and training, and a structured degree programme – all while earning a <b>competitive salary</b>.</p> <p>At Accenture, our mission is to deliver on the promise of technology and human ingenuity. We partner with clients to optimise their processes and performance by applying innovative technologies and digital innovation, to drive positive change and deliver transformative solutions.</p> <p>We believe change is only possible with new and bold ideas, with different people coming together and bringing their perspective and experience with them. If you have a genuine passion and curiosity for consulting and technology, apply now for the Consulting Degree Apprenticeship based in <b>London</b> or the Technology Apprenticeship scheme across <b>London, Newcastle, Birmingham, and Manchester</b> and have an opportunity to obtain a debt-free degree and invaluable industry experience at a global prestigious firm.</p> <p style="text-align: center;"><a href="#" style="background-color: #800080; color: white; padding: 10px 20px; text-decoration: none;"><b>Click to apply</b></a></p>

Company	Event/ Registration Date	Details/Year Group
	<p style="text-align: center;"><b>Deadline is 26 November</b></p>	<p><b><u>Female Year 11 and 12 students: Oxbridge opportunities</u></b></p> <p><b>Women and non-binary people in STEM</b></p> <p>For: Year 11 and 12 students identifying as female and non-binary</p>

**Monday  
20 November,  
6pm to 7pm**

**11 and 12 March  
2024  
(Online only session  
on 13 March)**

What: 10 online taster lectures in various STEM subjects, then a visit to Fitzwilliam College Cambridge or St Anne's College Oxford.

When: the lectures take place after school in January; the visit will take place in the Easter holidays in April.

Link: [Oxbridge women and non-binary people in STEM registration](#)

Subjects include Biochemistry, Biology, Chemistry, Chemical Engineering and Biotechnology, Computer Science, Earth Sciences, Engineering, Materials Science, Maths, Natural Sciences, Physics, Psychology and Statistics.

**Any aspiring Medics:**

**STEP into OxMed** (STudents for Engagement and Participation in Teaching and Outreach, Oxford Medicine) is a student-led group from Oxford University that deliver a host of programmes to help students with medical school applications and general preparedness for a career in medicine. We have organised a **virtual seminar** by **Dr Jack Amiry**, a doctor who splits his time between working as a GP, dermatology in a hospital and teaching medical students!

If you are interested [sign up here](#) to let us know that you're coming!

Please join us on the day via [this Teams link](#). If you are unable to join, the seminar will be uploaded to our [YouTube channel](#).

Dr Amiry's talk is titled '**A Beginner's Guide to Diagnostics**'. In this, Dr Amiry will be introducing you to the skills and methods a doctor uses to recognise and diagnose medical conditions.

**Law: Year 12 students**

The **Faculty of Law will hold Taster Days** for Year 12 students. These days give an insight into life as an Oxford Law student with a brief introduction to the programme, taster lectures, and seminars, including lunch and a tour around a college.

Travel bursaries are available for students who are: in receipt of Free School Meals, living in Care, are in receipt of Government funded income assessed support.

If you are interested, see Mrs Braban in the Sixth Form Common Room.
