## Year 12 – Building my Skills Programme

Last week we welcomed Darush Dodds from the ESH Group, who talked to year 12 students about his career, what makes a good manager, what employers expect, and the diversity of job roles within construction.

The ESH Group operate throughout the North East, the Tees Valley, Yorkshire and the Humber, providing commercial build, civil engineering, affordable and private housing services to the private and public sector.

Year 12 Students are now able to upload the Building My Skills App and enter their strengths and attributes. As part of this programme, students will meet employers from 4 sectors.
