Ford&Slater

APPRENTICESHIPS

WELCOME TO FORD & SLATER

You are probably wondering who we are and why your students should be interested in an apprenticeship with us. So, first things first, who are Ford & Slater?

Founded in 1928, Ford & Slater is the UK's largest independent DAF Dealer group. We have sixteen dealership locations throughout England, specialising in DAF trucks:

- Selling DAF trucks
- Selling parts for DAF trucks
- Maintaining and fixing DAF trucks

The company was purchased by Peter Strevens back in 1991 and today is run by his two sons, Nigel and Tim Strevens. We have grown over the years and now have 16 locations across the Midlands, East, and North of England.

Our foundation as a family business means that even as we have grown we still keep those family values at the heart of how we do business and the way we work with our customers, our partners and our employees.

OUR APPRENTICESHIP PROGRAMME

HGV TECHNICIAN APPRENTICESHIP

The DAF HGV Technician apprenticeship is a three year, level 3 standard in Heavy Goods Vehicle repair and maintenance. After passing the apprenticeship, graduates are fully qualified technicians with a range of career options available within the business.

PARTS APPRENTICESHIP

The DAF Parts apprenticeship is a 2 year course underpinned with a level 3 standard in Customer Service. Apprentices will learn how the parts department runs in order to source, order and deliver parts to our customers.

VEHICLE BODY REPAIR

Vehicle body repair apprentices specialise in repairing damaged vehicles. This three year apprenticeship gives apprentices a level 3 standard in Vehicle Body Repair and a career as a body repair technician.

COMMERCIAL SKILLS

We have a range of commercial skills apprenticeships including sales and administration. These apprenticeships are delivered over 2 years and are level 2 qualifications.
