Careers Team

If you or your child would like any further careers information or support, please contact a member of our Careers Team:

Mrs Braban: cbraban@lordlawson.academy or Ms Leigh: jleigh@lordlawson.academy

Mrs A Jordan
Head of Sixth Form and Careers Lead

Year 10 Work Experience

Please encourage any students who have not yet found a work experience placement to actively contact employers to find some work experience.

We have around 80 students who still need to confirm a placement.

Please have conversations with them, with friends and wider family who might be able to offer your child a placement. Some parents/ carers have sent messages out on local social media pages (Facebook, LinkedIn) and have been offered placements from local employers.

For students that have a placement organised but haven't yet added it to the app, can they add the details as soon as possible this week please?

A reminder that students are expected to attend school the week of 22nd April if they don't have a work placement to go to.

Ms Leigh and Mrs Braban are available for 1:1 conversations during lunch and break time every day during the next couple of weeks. **Please encourage your child to seek support if required.**

Parents can email any queries to Ms Leigh: jleigh@lordlawson.academy

We have invited several speakers in next week for National Careers Week – please encourage any students in year 10, 12 or 13 to sign up for the workshops on offer:

National Careers Week 2024: 4th – 8th March

Places are limited – first come, first served!

For Year 10, Year 12 and Year 13

This is an opportunity to find out first-hand from employers about their company, and job opportunities.

Please decide which workshop you would like to attend and register with **Ms Leigh (year 10 base)** or **Mrs Braban (6th Form Common Room)** during break or lunch time.

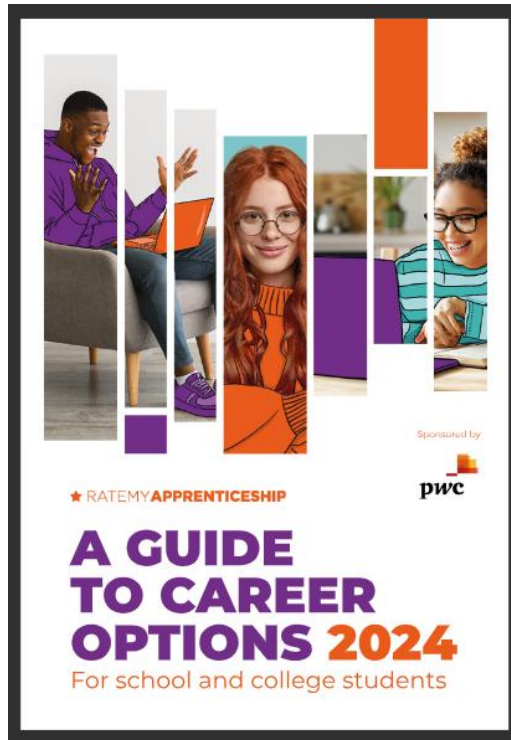

Next week!
