Year 11 and Year 13 Apprenticeship tool

A reminder that the UCAS website has an extensive range of apprenticeships to browse through. Go on the UCAS website, choose “apprenticeships” and narrow down your options by filtering down the level of apprenticeship, and also zooming in on the map to cover the North East region. The .gov apprenticeships are on here as well as other apprenticeships.

It is National Deaf Awareness Week this week and the students in our “In the Loop” lunchtime club have written a poem, which you can read in the Parent Bulletin.

Being aware of others’ disabilities and how they are affected can be so useful in understanding how to help them. To find out more about Deaf Awareness Week and supporting the deaf and hearing impaired, please have a look at the RNID’s website:

There is a scheme to support employers to become more inclusive around Disabilities. The Disability Confident scheme supports employers to make the most of the talents disabled people can bring to your workplace.

You might see these symbols which indicate a disability confident employer.

Disability Confident employers of all sizes are:

- challenging attitudes towards disability
- increasing understanding of disability
- removing barriers to disabled people and those with long-term health conditions
- ensuring that disabled people have the opportunities to fulfil their potential and realise their aspirations
