	<p>In your own time</p>	 <p>Springpod's University Experience programmes are now open for students to start right-away!</p> <p>These short university experience courses take around an hour to complete, can be started at school or home, and include video content and activities for students to work through.</p> <p>To make your life as easy as possible we've put a selection of our top university experience opportunities into one pdf here.</p> <p>Students can explore the wide range of FREE programmes in industries like law, engineering, medicine, computer science, and more.</p> <p>Who is Springpod? We are an online career and university exploration platform. We connect students to world-leading employers and universities through online programmes. Through our free virtual experiences, young people can gain the experience, knowledge, and skills they need to take their next steps. Upon completion of a programme students will receive a certificate to reference on their CV and/or Personal Statement.</p> <p>How do students get started? All students need to do is create a free account and click 'start now' to access the programme. Students can come back to the programme via their dashboard and complete it at a later date when it suits them.</p> <p>We want to help your students join the 500,000+ others learning from experts at the University of Oxford, Durham University, The University of Birmingham, and many more top universities.</p> <p>A selection of our top experiences are on this pdf to share.</p>

Our Apprenticeships Guide 2024 is here

Sponsored by National Audit Office

Get your FREE Apprenticeships Guide for parents and carers

Our Apprenticeships Guide

This is released in January/February to accompany National Apprenticeships Week.

The guide looks to cover everything students need to think about when considering the apprenticeship route. It includes examples of roles across a wide range of industries nationwide, with lots of case studies and interviews with recent apprentices.
