Year 10 visit to Teleperformance

Last week, a group of our year 10 students were fortunate to attend an employer insight visit to Teleperformance, a contact centre at The Watermark, Gateshead. Students were involved in many fun activities such as a tour and treasure hunt, building the tallest spaghetti tower, identifying skills and salaries related to various job titles, playing “play your cards right” and getting pizza for lunch, as well as pick-and-mix and prizes! Teleperformance really gave us a great day out, so a huge thank you to them and to Jayne at My Big Career for arranging the day.
