Upcoming Events for year 12:

On Friday 14 June, all year 12 students are visiting Leeds University so that they can get a taste of university life. Students will have the opportunity to attend subject talks, drop in sessions, taster lectures, attend tours of the campus and find out about accommodation and contextual offers. To find out more about university open events, you can look at this guide:

[What to expect at Open Days | University of Leeds](#)

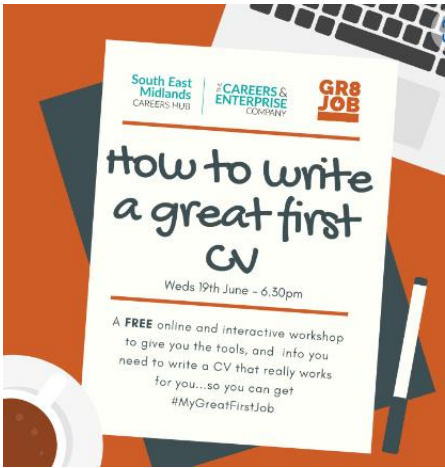

Next week, year 12 will be attending a UCAS event at Utilita Arena. This helps students to identify and decide on their post-18 options. They will have the opportunity to chat to a wide variety of universities, speak to employers and apprenticeship providers, and gain insights into their options.
