Dear Applicant,

Thank you for your interest in the post of Teaching Assistant – SEND at Lord Lawson of Beamish Academy. I hope that the information in this pack is valuable to you when deciding whether to apply for the role and in your preparation for applying.

Lord Lawson of Beamish Academy is a successful 11–18 mainstream co-educational academy that continues to improve rapidly. Our work is underpinned by our values of trust, respect, courage and ambition. In our most recent Ofsted inspection in December 2025, inspectors recognised the significant progress we have made, stating that “pupils achieve well, enjoy their learning and blossom at this welcoming school”. Attendance and behaviour were judged to be at a Strong standard, reflecting the calm, orderly and respectful culture that has been established. Inspectors also highlighted the strong relationships across the school and the inclusive pastoral support that ensures pupils feel safe, cared for and able to thrive. The other six areas were all judged to be at Expected standard. Achievement remains in line with national averages and continues to improve across a range of subjects. We are committed to embedding improvements so that future cohorts achieve well.

We are a school that is an excellent place to work and learn. Our ambition is to offer outstanding education – within the classroom and far beyond – that engages and stretches all our students. Our staff are energetic, committed and able; our leaders are strategic and well-motivated; our governors are hugely supportive and suitably ambitious. The school is full, and parents want their children to do well. We have a sixth form that is small but focused and successful. Our facilities are outstanding and well maintained.

We have high expectations of our staff. We also recognise that our staff are our greatest asset, and we treat them with respect and care for their wellbeing. We are currently aiming to implement our Vision for Staff, which we co-developed with staff. Staff are happy here; Lord Lawson of Beamish Academy is a good place to work. 82% of staff respondents to the SSAT annual survey agreed or strongly agreed with the statement ‘I would recommend this as a good place to work’. The national average for secondary schools in the survey was 74%.

We value the development of all our staff, and you will develop further during your time here. We provide an exceptional programme of CPD for staff. 82% of respondents to the SSAT annual survey agreed or strongly agreed that they have opportunities to participate in high quality professional learning and development (national average for secondary schools: 68%). Staff develop rapidly here; and consequently, we have very low levels of staff turnover.

Our next steps are to build on our recent achievements, and to further improve the attainment and progress of our disadvantaged students, including those with SEND. We also want to engage more effectively with our community and continue to expand our already thriving extra-curricular offer for our students. Alongside these aims, we will expand our sixth form further, by attracting applications from other local schools, as well as ensuring more of our students’ complete key stage 4 with the qualifications and aspirations required for further academic study.

I welcome your interest in this position, and I look forward to receiving your application.

With best wishes,

Dr Andrew Fowler
